

Dear Parents,

August 29, 2016

On behalf of the entire visual arts department: Ms. Gardziel, Mr. Moodie and Mrs. Werden, we'd like to tell you how excited we are to be working with your student within our very progressive visual arts program. We are considered a large art department by most standards and thus, bring much expertise to the classroom. We are very enthusiastic about teaching art to your child this school year.

In the AISD - SCHS course guide, there is a fee listed for each art class, per semester. The courses and associated fees taught by Ms. Gardziel are listed below:

Art 1 - \$10/Semester or \$20/Year

Sculpture 2 - \$30 or \$60/ Year

These fees are allocated directly to consumable art supplies the student will use in class, as well as, projects, field trips, and special presentations. By ordering in bulk, rather than requiring a supply list, we are able to save families money and time.

The fee should be in cash or check made out to SCHS. A receipt will be provided to the student once paid. You may also pay online using my school bucks. If you pay for art fees online in the notes please write Miss Gardziel.

Any fees that are not paid first semester will carry over to the second semester and continue throughout your student's time at Shadow Creek High School. Delinquent fees will result in students being placed on the campus fine list. Students on the fine list will not be exempt from final exams or be able to attend field trips. Seniors on the campus fine list will not be allowed to attend prom or participate in the graduation ceremony. Please communicate directly with your student's teacher, if necessary.

Warm Regards,

SCHS Visual Arts Dept.
